Thank you so much for downloading this Spring Coloring Placemat! Feel free to print as many copies of this for your own use as you'd like.

For more resources and freebies, make sure you check out my shop. Check out my book, Gameschooling on a Budget, for tips and games to play for less.

Don't forget to check out Pizza Parlor, a fractions game for 1-6 players!

Gypsy Gameschooler has been a labor of love for me, but website hosting gets expensive. I would really appreciate it if you were to click one of my Amazon Affiliate links before doing your shopping on Amazon.

Amazon Affiliate links don't cost you anything, but Amazon pays me a small commission. The cookies are only good for 24 hours, but I get credit no matter what you purchase.

I'm an affiliate for a few other programs. Every penny helps! One day, I hope to help support my family with my blog, so thank you!

If you want to share this printable with someone else - thank you! Please just send them to my website so they can download it for themselves. Thanks again!

Are you ready for more spring activities?!? Check out one of my games and use code **INTRO2** to save \$2!!
